by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 6, Part 15, is amended by adding the following language as a new section to be designated as follows:

§ 49-6-1506. The general assembly recognizes that the civic education commission created under this part has made great strides towards fulfilling its goals and purposes, but that additional work remains to be done. The civic education commission, therefore, is authorized to continue to meet and perform its work. The commission shall make a final report to the governor, the education committee of the senate and the education committee of the house of representative before July 1, 2009, at which time the commission shall cease to exist.

SECTION 2. This act shall take effect upon becoming law, the public welfare requiring it.
